

From Our Counseling Department

PWCS cares deeply about students' emotional well-being during their time away from school.

If your child is in need of emotional support during this time, please feel free to send an e-mail to studentsupportservices@pwcs.edu.

A school mental health or health professional will answer and offer virtual support to students to the best of their ability.

This information is not to be used for emergency situations as it will not be monitored 24 hours a day.
